TERMINAL HANDLING CHARGES (THC) COLLECTION PROCESS FOR EXPORTING FULL CONTAINERS

Following Administrative Decision No.2 by the **Dubai Maritime Authority**, the process for THC payment is changing.

DP World will start collecting Export THC directly from Exporters for full containers loaded against Export Bookings issued from 1st of November 2023 onwards.

What does this mean in practice and how will it affect you?

The reality is that its a minor change...

The Exporter or their Clearing Agent will still...

Process Export Declaration from Dubai Customs and proceed to DP World payment service on Dubai Trade platform.

Enter Export Declaration number to retrieve data and view all applicable charges.

Alongside 'Document Processing Charge' the User will now see a new tariff item i.e. Terminal Handling Charge (THC)

Having reviewed the charges, the User can proceed for payment

After successful payment a 'Tax Invoice' will be generated

In summary...

The seamless process remains unchanged

Terminal Handling Charges (THC) will simply be collected through existing DP World Payment process via Dubai Trade
